PROFILE

Backend-focused Software Engineer with experience in Python, FastAPI, REST APIs, web scraping, Docker, Redis, MongoDB, and MySQL. Developed scalable backend systems and full-stack applications using React.js and Spring Boot.

TECHNICAL SKILLS

Language : Python, Java, JavaScript

Frameworks : FastAPI, Spring Boot, React.js

Database : MySQL, MongoDB

Tools: Docker, Redis, Celery, Git, GitHub, Linux, Postman

Cloud: AWS (EC2, IAM)

EXPERIENCE

Armakuni India - Python Intern | Jan 2026 – May 2026

- Completed an intensive backend development training program covering Python, FastAPI, SQL, MongoDB, Docker, Linux, Git/GitHub, and web scraping.
- Contributed to backend development, API implementation, debugging, testing, and feature enhancement for real-world applications.

PROJECTS

Multi-Source Scraper & Aggregator | FastAPI, Celery, Redis, MongoDB, BeautifulSoup, Docker

- Built a distributed scraping platform supporting Books, Quotes, Wikipedia, Yahoo Finance, and Y-Combinator as data sources.
- Role-based access (user/admin) with Redis-backed rate limiting and Flower dashboard for task monitoring

Event Booking System | FastAPI, Docker, Redis, SQLite, Celery

- Developed a real-time event booking platform with async notification delivery using Celery workers and Redis, request logging middleware persists to MongoDB.
- Implemented JWT authentication with access/refresh token rotation and Redis-backed account lockout after failed login attempts, containerized with Docker Compose.

CareerWeave | React.js, Spring Boot, MySQL, TailwindCSS

- Developed a Campus Recruitment & Placement Portal with role-based dashboards
- Implemented modules for job applications, interviews, offers, onboarding, and placement reports
- Implemented 4 role-based dashboards (Admin, Student, Company HR, Placement Officer) with JWT authentication and role-based access control.

EDUCATION

Dharmsinh Desai University, Nadiad, Gujarat

B.Tech in Information Technology

Graduated: May (2026)

CPI:7.47

SHRI N.P. Bhalodiya School

Class XII (HSC)

Passing Year (2022)

Percentage:72.3%

CERTIFICATIONS

- HackerRank SQL(Basic)
- HackerRank SQL(Intermediate)
